- Emotionally and mentally adjust to losing your vision

We also have **FREE** workshops and activities for those with vision impairments. Visit futureinsight.org/calendar or scan this QR code.

Future In Sight was founded in 1912 and is the only private nonprofit organization in NH to supply a comprehensive range of statewide services to children, adults and elderly who are blind and visually impaired. Through our holistic continuum of care, we provide individuals with vital services that allow them to live with confidence and dignity. Each service plan is tailored to meet the unique goals of the client.
