Transforming the lives of individuals with vision loss through education, training & support

## News & Views April 2019

Friend

If you were in our Walker Street neighborhood on Saturday morning, you may have wondered what all the beeping was about. And, who could blame you! It's not every day that there's an Audible Egg Hunt, with 40 decorated eggs beeping from their hiding place at our office. As kids located the eggs, one by one, they switched off the beeper, added it to their stash so that they could later claim their share of candy. The photos tell the story: this fun event is one example of the recreational activities we offer for children who are blind or have profound sight loss. Many thanks to the community members who donated their time and talents to build these audible eggs for us.

There are many ways you can be a part of our mission to transform the lives of

individuals of all ages living with low vision or blindness; [become a volunteer](#) who connects adults with recreational activities, participate in our [special events](#) throughout the year, or [make a donation](#) to support our programs and services.

Our [16th Annual Walk for Sight](#) is a great way to make an impact. You'll find more information on how to get involved later in this newsletter. We're counting on you - returning Walk for Sight team captains, I hope to see you tomorrow morning at the annual Captain's Kick-off event.

Please be sure to follow us on [Facebook](#) and [Twitter](#) to stay up to date on current happenings in your area.

With gratitude,

David S. Morgan
