News & Views August 2018

Friend

The final weeks of summer are here and we're gearing up for the new school year as well as planning our schedule of recreational activities for both youth and adults. We're thrilled to announce the hiring of Becky Berk, M.Ed. as our new Director of Education Services. [Becky joins us during an exciting time of growth and opportunity.](#) With her leadership the organization will continue its work with the New Hampshire Department of Education to develop guidelines for teaching children with vision loss, bring more technology to the classroom, and modernize teaching methods for children.
