Transforming the lives of individuals with vision loss through education, training & support

News & Views December 2018

Friend

Happy holidays from all of us at Future In Sight. We hope you enjoy the spirit of the season with family and friends.

As 2018 comes to a close I would like to thank our dedicated staff, our diligent board members, our many generous donors and volunteers - everyone in the the Future In Sight community who work tirelessly to help make a difference in the lives of thousands of individuals we serve throughout New Hampshire who are blind and visually impaired. Infants and their families, children, adults, and seniors benefit from the range of education and rehabilitation services we provide.

Though we are fortunate to have impacted so many lives this year we know that there is still so much work to be done. There are an estimated 30,000 NH residents that live with profound sight loss. [You can help make a difference during the holidays!](#) Your gift of any amount truly helps to transform lives.

Best wishes for a happy, healthy new year. We thank you for being a part of the Future In Sight family.

With gratitude,
