Transforming the lives of individuals of all ages with vision loss

## News & Views July 2018

Friend

With summer in full swing we're enjoying a sea of activity here at Future In Sight during this heatwave! With our students on summer break it's the perfect opportunity for us to collaborate and plan new and engaging activities to educate our students with vision loss. Our team of specialized teachers and occupational therapists provide a range of services for schools that includes evaluations of students with vision loss to understand their needs, technology assessments, as well as the ability to work with children with multiple disabilities. Our social work department is available for counseling and parental support services. [Learn more about the work we do with school districts throughout the state.](#)

With the increasing number of children in NH schools with sight loss we are actively recruiting qualified Teachers of Students with Visual Impairments (TVIs) as well as Orientation & Mobility Instructors for students. If you have a passion for positively impacting the life of children I encourage you to [visit our website](#) for complete job descriptions.

This month we will also celebrate the anniversary of the ADA (American's with Disabilities Act.) On July 19th we will launch a new initiative in partnership with a wearable technology company and a major grocery store chain to improve accessibility in stores and create employment opportunities. With this new technology those who are visually impaired will have the opportunity to enjoy an

independent shopping experience. Very exciting times for sure! Stay tuned for further details.

All of us here at Future In Sight hope you are enjoying the summer heat!

Be sure to follow us on [Facebook](#) and [Twitter](#) to stay up to date on current events.

Thank you all for being a part of the Future In Sight family.

With gratitude,

David S. Morgan  
President & CEO

## Take Me Out to the Ballgame!

We're so excited to introduce our very own beep baseball team - the **Future In Sight Knights**.

Please join us on Sunday, August 26th at Northeast Delta Dental Stadium for a fun but competitive game of beep baseball against the Fisher Cats.

Game Time: Sunday, August 26th at 10:00 a.m.

Your ticket purchase entitles you to the Beep Baseball game followed by buffet lunch at the Sam Adams Brew House, photos with Fungo and VIP club seats for the 1:30 p.m. game between the NH Fisher Cats and the Binghamton Rumble Ponies

Tickets for the event cost \$36 and can be purchased by clicking [here](#).

## We Have Exciting News!

We have been chosen AGAIN as a beneficiary of the Hannaford Helps Reusable Bag program! For this round, we are the recipients

at both the Hannaford located on [Bicentennial Drive](#) in Manchester and [Route 4 Northwood](#) for the entire month of July!

As a reminder, every time someone purchases either of the Community Bags at these locations, we receive \$1! This is truly a great opportunity for us and an easy way for you to show your support for Future In Sight's programs and services!

Please go to the store, find the reusable bag rack and buy a few bags! And remember to spread the word - the more bags purchased, the bigger donation to Future In Sight.

## Fundraising Events

We have several opportunities to enjoy good food and entertainment this summer from across the state. We are fortunate to have the support of so many local organizations willing to partner with us in our mission to raise funds and awareness in support of NH's blind and visually impaired.

- August 1, 2018 [Community Day at Dos Amigos - Concord](#)
- August 10 & 11, 2018 [Charitable Gaming](#)
- August 13, 2018 [Pizza Pizza](#) at The Community Oven

Your participation in any of these events will support programs and services provided by the professional service staff at Future In Sight.

[Visit our website for complete details of these and many more upcoming events in your community.](#)

## Now Accepting Nominations for Annual Jo Adcock Service Award

Our Client Services Committee of Future In Sight is accepting nominations for its annual *Jo Adcock Service Award*. Each year the committee honors and recognizes an individual with proven leadership skills that has shown outstanding service and commitment to the field of blindness.

For complete details and the nomination process, please visit our [website](#).
