

Thank you for your interest in joining our “I Volunteer Because...” social media campaign. To participate simply print the 2<sup>nd</sup> page of this document fill in the blank with your inspiration for volunteering and then take a selfie or have someone take your picture holding the completed page. Share this with our Coordinator of Volunteer Services at [dfanny@futureinsight.org](mailto:dfanny@futureinsight.org). As many of you are aware, transportation is a major hurdle for those living with vision loss. This oftentimes leads to feelings of isolation and depression. Volunteers make a world of difference in the lives of those we serve. Our goal is to use your message to attract new volunteers for the organization so that we may reach all communities of New Hampshire with individuals willing to give of their time and talent.

**FUTURE  
IN SIGHT**
